

## Dress Code

Captivation Dance Affiliates dress code is designed to create unity and promote focused learning in the classroom. By wearing the correct attire, it ensures the instructor will see if the dancer is utilizing proper alignment & correct muscles in class. We ask all students to clearly write their name in both their shoes and dance wear. Please keep jewelry to a minimum for the safety of the dancer and their peers. Also, it is important for all dancers to wear their hair pulled back and out of the face & eyes so that they may see and dance more easily. A dance bag with extra hair pins and hair ties is suggested.

***Part of becoming a dancer is looking like one. Captivation Dance Affiliates thanks your dancer for “dressing the part” for each and every class.***
